

HE DIED FOR ME

KEY OF G

CAPO 5

6 / 8

G

I saw One hanging on a tree,

D/F# G

In agony and blood.

G

He fixed His languid eyes on me,

D/F# A D/F#

As near His cross I stood.

G

My conscience felt and owned the guilt,

D/F# G

And plunged me in despair.

G

I saw my sins His blood had spilt

D/F# A D/F#

And helped to nail Him there.

Refrain

D/F# G

O, can it be, upon a tree

D/F# G

The Savior died for me

C G

My soul is thrilled, my heart is filled,

D/F# G

To think He died for me.

G

A second look He gave, which said,

D/F# G

I freely all forgive.

G

This blood is for thy ransom paid;

D/F# A D/F#

I die that thou may live.

G

Sure, never to my latest breath,

D/F# G

Can I forget that look;

G

It seemed to charge me with His death,

D/F# A D/F#

Though not a word He spoke.
