**B F# E**  
Our God, our help in ages past  
**G#m C# F#**  
Our hope for years to come,  
**G#m F# E D#m**  
Our shelter from the stormy blast,  
**E F# B**  
And our eternal home.

**B F# E**  
A thousand ages in Thy sight  
**G#m C# F#**  
Are like an evening gone;  
**G#m F# E D#m**  
Short as the watch that ends the night  
**E F# B**  
Before the rising sun.

**B F# E**  
Under the shadow of Thy throne  
**G#m C# F#**  
Thy saints have dwelt secure;  
**G#m F# E D#m**  
Sufficient is Thy arm alone,  
**E F# B**  
And our defense is sure.

**B F# E**  
O God, our help in ages past,  
**G#m C# F#**  
Our hope for years to come,  
**G#m F# E D#m**  
Be Thou our guard while life shall last,  
**E F# B**  
And our eternal home.

**B F# E**  
Before the hills in order stood,  
**G#m C# F#**  
Or earth received her frame,  
**G#m F# E D#m**  
From everlasting Thou art God,  
**E F# B**  
To endless years the same.
