G#m F#
Come ye sinners poor and needy,
E B F#
weak and wounded, sick and sore;
G#m F#
Jesus ready stands to save you,
E F#
full of pity love and pow'r.

G#m F#
Come, ye weary, heavy-laden,
E B F#
Lost and ruined by the fall.
G#m F#
If you tarry till you're better,
E F#
You will never come at all.

G#m F#
View Him prostrate in the garden;
E B F#
On the ground your Maker lies,
G#m F#
On the bloody tree behold Him.
E F#
Sinner, will this not suffice.

G#m F#
Come, ye thirsty, come and welcome,
E B F#
God's free bounty glorify;
G#m F#
True belief and true repentance,
E F#
Every grace that brings you nigh.

G#m F#
I will arise and go to Jesus,
E B F#
He will embrace me in His arms.
G#m F#
In the arms of my dear Savior,
E F#
Oh, there are ten thousand charms.
