

# BENEATH THE CROSS OF JESUS

KEY OF G

4 / 4

CAPO 4

**INTRO: G Em C**  
**G Em D/F#**

**G**  
Beneath the cross of Jesus  
**D/F# G**  
I fain would take my stand  
**Em Am**  
The shadow of a mighty rock  
**Am Bb Bm**  
Within a weary land  
**G**  
A home within the wilderness  
**C C/B Am**  
A rest upon the way  
**D/F# G**  
From the burning of the noontide heat  
**G D/F# G**  
And burden of the day

**G**  
I take, O cross, thy shadow  
**D/F# G**  
For my abiding place  
**Em Am**  
I ask no other sunshine than  
**Am Bb Bm**  
The sunshine of his face  
**G**  
Content to let the world go by  
**C C/B Am**  
To know no gain nor loss  
**D/F# G**  
My sinful self my only shame  
**G D/F# G**  
My glory all the cross

**G**  
Upon the cross of Jesus  
**D/F# G**  
Mine eye at times can see  
**Em Am**  
The very dying form of One  
**Am Bb Bm**  
Who suffered there for me  
**G**  
And from my stricken heart with tears  
**C C/B Am**  
Two wonders I confess  
**D/F# G**  
The wonders of redeeming love  
**G D/F# G**  
And my unworthiness
