There is a fountain filled with blood drawn from Emmanuel's veins  
**G**                      **C**                      **G**                      **D**                      **G**  
And sinners plunged beneath that flood lose all their guilty stains  
**G**                      **C**                      **G**                      **D**  
Lose all their guilty stains, lose all their guilty stains  
**G**                      **C**                      **G**                      **D**                      **G**  
And sinners plunged beneath that flood lose all their guilty stains

**G**                      **C**                      **G**                      **D**  
The dying thief rejoiced to see that fountain in his day  
**G**                      **C**                      **G**                      **D**                      **G**  
And there have I, though vile as he, washed all my sins away  
**G**                      **C**                      **G**                      **D**  
Washed all my sins away, washed all my sins away  
**G**                      **C**                      **G**                      **D**                      **G**  
And there have I, though vile as he, washed all my sins away

**G**                      **C**                      **G**                      **D**  
Dear dying Lamb, Thy precious blood shall never lose its power  
**G**                      **C**                      **G**                      **D**                      **G**  
Till all the ransomed church of God be saved, to sin no more  
**G**                      **C**                      **G**                      **D**  
Be saved, to sin no more, be saved, to sin no more  
**G**                      **C**                      **G**                      **D**                      **G**  
Till all the ransomed church of God be saved, to sin no more
