

# MAN OF SORROWS

KEY OF G                      4 / 4                      CAPO 1

**G**                      **Em**      **D/F#**  
Man of sorrows what a name  
**C**      **G**      **D/F#**  
For the Son of God, who came  
**G**                      **C**  
Ruined sinners to reclaim:  
    **G**   **D**      **C**   **D/F#**  
Hallelujah, what a Savior!

**G**                      **Em**      **D/F#**  
Bearing shame and scoffing rude,  
**C**      **G**              **D/F#**  
In my place condemned He stood,  
**G**                      **C**  
Sealed my pardon with His blood:  
    **G**   **D**      **C**   **D/F#**  
Hallelujah, what a Savior!

**G**                      **Em**      **D/F#**  
Guilty, helpless, lost were we;  
**C**                      **G**      **D/F#**  
Blameless Lamb of God was He,  
**G**                      **C**  
Sacrificed to set us free:  
    **G**   **D**      **C**   **D/F#**  
Hallelujah, what a Savior!

**G**                      **Em**      **D/F#**  
He was lifted up to die;  
**C**      **G**              **D/F#**  
"It is finished" was His cry;  
**G**                      **C**  
Now in heaven exalted high:  
    **G**   **D**      **C**   **D/F#**  
Hallelujah, what a Savior!
